

## LIBERTY

The Liberty Union Sunday School is progressing nicely, despite the chilly days, our attendance and collections are good. We are glad to know we had the best quarterly report at the last Harding County Convention.

Mrs. Lonnie Woodward and children have moved to Raton, where Mr. Woodward is employed, her sister Miss Nola Cannon accompanied her for a short visit.

Messrs. D. Taylor and Harry Stewart have abandoned our Sunday School and become members of the Baptist Sunday School at Solano. We regret losing these young men, and we would suggest that the "four" devote time between the Sunday Schools and balance the attendance of the two schools.

Mrs. Geo. Wortman has returned from a most enjoyable visit with his sister, Mrs. West and Dr. West of Albuquerque.

Virgil Woodward is attending school in Raton, and taking Chiropractic treatment, here's hoping Virgil can come home next summer greatly improved.

We have experienced the coldest weather (for this season of year) the past few weeks, that we have ever known in this country, the thermometer registering just a few degrees above zero.

It continues very dry although we had a light snow last week, but we would welcome a good soaking rain, or a heavy snow.

The people of Liberty are planning to have a box supper on Thursday evening November 23, the proceeds to be used to defray their Xmas tree expense. Everyone is cordially invited to come.

Mayor B. F. Brown and L. W. Wilson were up from Mosquero on business Tuesday.

## ATTENTION FARMERS

Dairy cattle have advanced 50% in the corn belt in six months. If you need dairy calves of any breed, especially Guernsey, or big type Poland China Hogs, or any other breed of stock, write me for prices and full particulars.

L. M. Wagner,  
R. F. D. Jesup, Iowa.

## KEPHART

Mr. T. S. McDonald has gone to Kansas City with cattle.

Harry and Jay Lemmon were business visitors at Mosquero last Monday.

Mr. N. A. Walker and family have moved to Roy. We will expect to see them back when spring opens as we believe the call of the farm will be too strong for them to resist.

The people of this community were greatly shocked by the death of Mr. Woods of Roy, as he had many friends here.

Sylvino Rivera and family have moved to Roy for the winter.

Webb Kidd shipped about 500 head of cattle from the ranch here, this week.

Our community is very sorry to hear of Dr. Chapin going to California, as it leaves us a long ways from a doctor. They will be greatly missed as the Dr. was a great booster. But we wish them success in their new home. Ed Alderson is shipping cattle this week to Kansas City.

Mrs. R. F. Cole and Tom were Kephart visitors Saturday and Sunday.

This is Tuesday morning and a light snow falling. It seems good to the wheat raisers but looks bad to the stockmen.

## LETTER OF CONDOLENCE

Whereas, Almighty God in His infinite wisdom has seen fit to visit the home of our beloved brother, James C. Hardin and call him from the midst of his devoted and beloved family, leaving them grief stricken and with the burden of life so heavy to bear.

Whereas, this burden is too heavy to bear alone, the members of Homestead Lodge No. 46 I. O. O. F., extend to the bereaved ones their tenderest sympathy and help in this trying hour, commending them to Him who doeth all things well. Be it resolved that a copy of these resolutions be sent to the bereaved family a copy to Hepler Lodge No. 641 I. O. O. F., a copy to the Spanish-American for publication, and a copy be spread upon the minutes of this Lodge.

Elmer Henry,  
A. M. Davenport,  
Homer Holmes,  
Committee.

Gen. John J. Pershing would have been quite a boy in the front line trenches with a rifle—had he not been busy bossing our A. E. F. in France. Last week on the lower Mississippi he went duck hunting with Gov. Parker and Bernard Baruch, using a 10-gauge gun, dropping first eight birds without a miss. Then he posed for this exclusive photo.
